(3) a copy of the original written authorization, signed and dated by each of the registered owners of the units on the lots affected by the lot line change, that includes the following statement:

I, *[name of registered owner(s)]*, have received a copy of the plot plan dated *[date of plot plan]* proposing to change a lot line affecting the lot where my unit is located and I/we approve of the proposed change in the location of the lot line(s) as detailed on the plot plan.

No approval shall be given for lot line changes without identification to the satisfaction of the enforcement agency of the existing lot line locations.

(e) Following approval of the lot line change by the enforcement agency, the enforcing official shall sign and date the submitted plot plan signifying its approval. Copies of that approved plot plan shall then be given by the applicant to the registered owners of the units on all the affected lots.

(f) No lot line shall be created, moved, shifted, or altered if the lot line creation or change will place a unit or accessory building or structure in violation of any provision of this chapter or any other applicable provision of law.
